WHEREAS, The City of Philadelphia (the "City") and the Philadelphia Redevelopment Authority (the "Authority") have determined that the Authority will, at the direction of and with the cooperation of the City, undertake pursuant to the Service Agreement (as defined herein) a home repair program for City Homeowners (as defined in Exhibit A hereto) (the "Program"), including the financing or refinancing of certain costs thereof, all as further described in Exhibit A hereto in order to encourage the provision of healthful homes and a decent living environment to improve the health of residents and preserve critical affordable housing; and

WHEREAS, The Council of the City (the "Council") has, by this Ordinance, determined that it is in the best interests of the City to: (i) authorize and approve the execution and delivery of a Service Agreement (the "Service Agreement") by and between the City and the Authority; (ii) approve the issuance by the Authority of bonds, notes or other evidences of indebtedness (including reimbursement obligations related to lines or letters of credit) in such amount and for such purposes as described in Section 1 herein in one or more series, either as taxable or tax-exempt obligations; and (iii) authorize and approve the performance by the City of its obligation to pay in full when due the Service Fee (as defined in the Service Agreement) and other amounts payable under the Service Agreement; and

WHEREAS, The City is authorized to enter into the Service Agreement to enable the financing and refinancing of certain costs of the Program; now, therefore

THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:

SECTION 1. The Council hereby: (i) authorizes and approves the execution and delivery of the Service Agreement, which shall be substantially in the form of Exhibit B hereto, with the Authority; (ii) approves the issuance from time to time by the Authority of bonds, notes or other evidences of indebtedness (including reimbursement obligations related to lines or letters of credit) (the "Obligations") in an aggregate principal amount not to exceed Forty Million Dollars (\$40,000,000), net of original issue discount, plus amounts necessary for costs of issuance, amounts necessary to effect any refunding of Obligations, interest on the Obligations and costs of credit or liquidity enhancement, at any one time outstanding, in one or more series, either as taxable or tax-exempt obligations, to finance or refinance certain costs

of the Program, interest on the Obligations, costs of credit or liquidity enhancement, amounts necessary to effect any refunding, and the costs of issuing the Obligations; and (iii) authorizes and approves the performance by the City of its obligation to pay in full when due the Service Fee payable under the Service Agreement (the “Service Fee”) and other amounts payable under the Service Agreement.

SECTION 2. The Director of Finance is hereby authorized to execute and deliver, on behalf of the City, the Service Agreement in substantially the form of Exhibit B hereto, with such changes as the City Solicitor shall advise based on requirements of law or otherwise, and the Director of Finance shall approve, consistent with the terms of this Ordinance. No amendment or supplement to the Service Agreement which permits the aggregate principal amount of Obligations (at any one time outstanding) described in Section 1 hereof to be exceeded shall be executed unless first approved by ordinance of the Council.

SECTION 3. The issuance of Obligations to refund outstanding Obligations (whether at maturity, through redemption or otherwise) is hereby authorized, and the Director of Finance is hereby authorized to execute and deliver, on behalf of the City, any required amendment or supplement to the Service Agreement in such form as the City Solicitor shall advise and the Director of Finance shall approve, consistent with the terms of this Ordinance; provided that no amendment or supplement to the Service Agreement shall permit the issuance of Obligations which cause the aggregate principal amount (at any one time outstanding) described in Section 1 hereof to be exceeded unless first approved by ordinance of the Council.

SECTION 4. The Service Agreement authorized by this Ordinance (and any required amendment or supplement thereto) shall be executed in conjunction with the issuance by the Authority of its Obligations in an aggregate principal amount (at any one time outstanding) that does not exceed that set forth in Section 1 hereof to be applied for the purposes described in Section 1 hereof. The Obligations shall not be executed or delivered until the Director of Finance has approved the terms thereof.

SECTION 5. The City covenants to budget and make appropriations beginning in Fiscal Year 2018 and in each and every fiscal year thereafter in such amounts as shall be required in order to make timely all Service Fee payments due and payable and to pay timely all other amounts due and payable under the Service Agreement.

SECTION 6. As long as the Obligations issued by the Authority are outstanding, the City covenants unconditionally to make all Service Fee payments and pay all other amounts due as provided for under the Service Agreement directly to any trustee and/or other entity (the “Trustee”) to which the Service Fee may be assigned as security for payment of the Obligations, only out of current revenues of the City, which payments shall not be suspended, abated, reduced, abrogated, waived, diminished or otherwise modified in any manner or to any extent whatsoever and regardless of any rights of set-off, recoupment or counterclaim that the City may have against the Authority or the Trustee or any holder of Obligations, any credit provider or any other party or parties and regardless of any contingency, act of God, event or cause whatsoever and notwithstanding any circumstances or occurrence that may arise after the date thereof.

SECTION 7. The City agrees to be bound by each and every provision, covenant and agreement set forth in the Service Agreement.

SECTION 8. The Director of Finance and all other proper officials of the City are hereby authorized, jointly and severally, on behalf of the City, to execute all documents (including without limitation one or more continuing disclosure agreements, a letter of representations, a reimbursement agreement for any line or letter of credit, and an intergovernmental cooperation agreement with the Authority and/or other appropriate parties, as directed by the Director of Finance) as may be necessary in order to accomplish the intent and purpose of this Ordinance and the Program, and to take all actions as may be required by the Constitution and the laws of the Commonwealth of Pennsylvania in order to effectuate the financing approved hereby and the issuance of the Obligations.

SECTION 9. The Council reasonably expects that the proceeds of each series of tax-exempt Obligations will be expended for the Program within three years of the issuance of each such series and will not take any action or omit to take any action which would cause the expenditure of the proceeds of tax-exempt Obligations for the Program to proceed other than with due diligence.

SECTION 10. This Ordinance shall take effect immediately.

EXHIBIT A

The home repair program will seek to improve the health of City residents and preserve critical affordable housing by instituting: (A) a loan program to make loans to low-, moderate- and middle-income homeowners in the City having an annual income of not more than one hundred and twenty percent (120%) of the area median income for the Standard Metropolitan Statistical Area of Philadelphia, (the “Homeowners”) who may not qualify for a loan on the private market due to income, credit or other factors and who also may not qualify for City home repair grant programs for home repairs; and (B) a grant program for low-, moderate- and middle-income homeowners in the City having an annual income of not more than one hundred and twenty percent (120%) of the area median income for the Standard Metropolitan Statistical Area of Philadelphia, to make grants to Homeowners for home repairs.

The Authority will select certain Program Intermediaries (“PIs”) through a competitive RFP process to carry out various program delivery activities including marketing, intake, home health assessments, providing information on energy efficiency, Homeowner needs assessments, loan and grant applications, managing a list of qualified contractors and making referrals for contractors to Homeowners, managing inspections, providing technical assistance to Homeowners, and loan servicing and administration.

Proceeds of Obligations will be used for some or all of the following program costs (either incurred directly by the Authority or reimbursements of expenses incurred by PIs):

- Providing for guaranty payments to private lenders in the event of a default by a Homeowner on a loan made under the program through the funding of a first loss fund or providing a line or letter of credit or other appropriate security (such guaranty arrangement may allow the Authority to be subrogated to the rights of lenders upon default and amounts received in connection therewith (less costs of collection) shall be used for the various program costs set forth in this Exhibit A).
- Providing loans: to Homeowners; or to small landlords (no more than four (4) units), leasing to a tenant having an annual income of not more than eighty percent (80%) of the area median income for the Standard Metropolitan Statistical Area of Philadelphia for home repairs with or without private lenders acting as intermediaries, servicers and/or administrators (upon default, amounts received in connection therewith (less costs of collection) shall be used for the various program costs set forth in this Exhibit A).
- Providing grants to private lenders on behalf of Homeowners to reduce the interest rate on loans made under the program.
- Providing grants to private lenders on behalf of Homeowners to reduce or eliminate fees payable by such Homeowners for loans made under the program.
- Providing grants to Homeowners for home repairs.
- Paying fees (other than referral fees) and costs for program related services rendered to Homeowners participating in the program.

- Providing credit counseling to Homeowners in connection with the application process.
- Paying the cost of retaining one or more third party evaluation organizations to collect data on the program, verify outcomes, and produce reports on the impact of the program.
- Paying the cost of administration by the Authority of the program, including staff time and internal resources expended managing the program, processing invoices, providing accounting services, overseeing contracts, and carrying out an annual audit.
- In the event of unspent proceeds, paying similar costs of comparable housing repair programs operated by the Authority or the City, as allowed by the Act and the Redevelopment Cooperation Law (both as defined in the Service Agreement), subject to such other requirements as set forth in the trust indenture for the Obligations.
