**INTRODUCTION TO THE FY 2019  
PROPOSED OPERATING BUDGET  
GENERAL FUND**

## Introduction to the FY19 Proposed Budget

The Operating Budget for Fiscal Year 2019 provides resources to tackle key long-term challenges facing the city. The FY19 Budget primarily focuses on improving educational outcomes and workforce readiness for Philadelphians of all ages, through investments to stabilize the finances of the School District of Philadelphia, to prevent increased tuition and expand services at the Community College of Philadelphia, to provide high quality pre-K seats for three and four year-olds to set them on a path for educational success, and to develop the City's workforce through increases in the wages of seasonal positions and apprenticeship programs. The Budget also looks to increase public safety, through training and personnel increases for the Fire Department, personnel increases for the Police Department, and increased demolition funding for the Department of Licenses and Inspections. Resources are also provided to support foster care providers and social workers in the Department of Human Services, to protect children.

### Revenues

Projected total revenues in FY19 are \$4.615 billion, a growth of 3.89% or \$173 million from the current estimate in FY18. Tax revenues are projected to increase by \$121 million, with \$51.6 million to be transferred to the School District as part of the package of investments to stabilize the District's finances. There is no more important investment the City can make than funding the education of its children. To provide stable funding for the School District and remove the uncertainty that has clouded the District's finances, the Administration is proposing a package that totals almost \$1 billion over five years. The key revenue components of that Plan are a 6% increase in the property tax, an increase in the real estate transfer tax and a slowing down of the pace of wage tax reductions while ensuring that the reduction program continues. An additional \$20 million will be added annually to the District's contribution from the City's budget.

The \$70 million in tax growth beyond the amounts that are being transferred to the District is due to projected changes in the economy for most of the taxes, shown in the table below:

<b>Tax</b>	<b>FY19 Base Growth Rate</b>
Wage and Earnings	4.29%
Business Income and Receipt	5.46%
Sales	3.80%
Real Estate Transfer	-6.25%
Property	6.1%

The projected growth in taxes relies on a continuation of an economic expansion that has already been historically long, so is not without some risk.

Philadelphia's Sales tax proceeds are split between the City's General Fund, the School District and the City's Pension Fund, with the first 1% going to the City, and the first \$120 million of the second 1% going to the School District, with the remainder to the City's Pension Fund. In FY19, the Pension Fund is projected to receive \$48.3 million from the Sales tax proceeds.

Revenue from Other Governments are projected to increase by almost \$57 million, \$30 million of that growth is due to growth in the PICA portion of the Wage tax, which follows the same base growth rate as

shown above. Other increases are mostly due to a larger portion of Public Health funding coming through medical assistance rather than direct patient health care payments, as well as for inter-governmental transfers.

## **Expenditures**

Total obligations are budgeted at \$4.690 billion, an increase of 4.91% or \$219.6 million, over the FY18 estimate. The two largest increases in expenditures are for the School District and the Pension Fund, collectively accounting for almost half of the total increase in projected spending. The City's contribution to the Pension Fund is now projected at 15.4% of total spending, or \$720.3 million.

The FY19 budget also sets aside \$30 million to offset potential increases in costs related to those City employees in bargaining units without a current labor contract, and exempt and non-represented employees. When the increase in the set aside for labor costs is added to the School District and Pensions cost increases and an increase in the budgeted amount for 911 funding, it totals over \$128 million. If those increases are excluded, general fund costs grow by about \$90 million or 2.51%.

Major departmental increases in spending in the FY19 Budget include:

- To reach and maintain a sworn strength of 6,525 in the Police Department, as well as pay for cost increases related to the Federation of Police labor award, the Police Department's budget grows by over \$18 million from the FY18 estimate.
- A \$1.5 million additional annual investment in child welfare is also included in this Plan, matched with almost \$9 million of federal and state grants. Funding increases for foster care providers is proposed to increase and improve services delivered to children, by covering the actual costs for providers as well as provide for additional staff to focus on parent recruitment, screening and training. The Department of Human Services will also expand Family Empowerment Services with these additional funds, with 16 additional case managers. This program enhances the ability of families to provide for their children's well-being, as social workers can assess and implement problem-solving interventions to allow children to remain within their homes.
- Increased expenditures in Public Health to tackle the opioid crisis, through distribution of the antidote, Nalaxone, as well as working with physicians to decrease over-prescribing opioid medications, as well as \$18 million in inter-governmental transfer costs (offset by additional revenue described above).
- The budget for the Office of Homeless Services is proposed to grow by \$3.1 million, which includes \$1 million to provide operational support for the Hub of Hope respite in Center City, as well as over \$2 million to support programs for opioid addicted homeless individuals.
- The Department of Licenses and Inspections budget also includes \$2 million in additional funding for demolitions, to tackle imminently dangerous and unsafe structures across Philadelphia.

- \$3.8 million has also been added to support the Philadelphia Land Bank, in its effort to return vacant land to productive reuse through acquisition and maintenance of vacant parcels.
- \$1.5 million over the current budget for the Community College of Philadelphia, to prevent the college from raising tuition and reducing important workforce development services.
- An additional \$9.8 million in the Fire Department (offset by \$8.3 million in reduced costs for water fees, which is now projected to be paid through the Water Fund) to fund additional training and safety staff, Battalion and Division Chiefs, EMS support positions, and improving management operations through shift realignments. The Budget also includes funds to support an investment in a new facility, the Logistics Hub. This Hub will support the Department's need for more training locations and will provide for more flexible response opportunities as laid out in the NIOSH report. The goal of the facility is to provide a location for co-location of vehicle storage, ensure a central location as a base for larger incidents and operations, supply larger warehouse capacity, expand indoor training & classroom opportunities, and relocate staff to alleviate space limitations in the administration building.
- Funding in the Department of Parks and Recreation to support raising the wages of seasonal positions to a living wage (\$1 million.)

### **Fund Balance**

Taken together, the projected revenues and expenditures result in a fund balance that is projected to be \$128.1 million in FY19, which is just over 2.7% of obligations. This fund balance is much lower than government financial experts recommend, and lower than the City's target of 6-8% of revenues. The Administration will carefully manage spending levels and monitor revenues to ensure the budget remains balanced and the City has reserves to protect against contingencies.

(2) If any function is transferred from one office, department, board or commission to another office, department, board or commission, the Director of Finance may not, without Council approval by ordinance, transfer to the successor office, department, board or commission those portions of the appropriations which appertain to the function transferred.

(3) Whenever, pursuant to the provisions of Section 8-401 of the Philadelphia Home Rule Charter, employees of any office, department, board or commission are used by another office, department, board or commission, the compensation of such employees for the period of such use may, at the discretion of the Director of Finance, be charged against the applicable appropriations to the using office, department, board or commission. The Director of Finance shall notify the President of Council, the Chief Clerk of Council and the Chair of the Appropriations Committee at least two (2) days prior to making any such charge against appropriations.

(4) In respect to any grant received by the City under Sections 5, 6, 7 or 9 of this Ordinance, The Director of Finance may, upon written authorization by the grantor transfer non-City funds between and among classes. The authorizations for such transfers shall be transmitted by The Director of Finance to the Clerk of Council within two (2) working days of any such transfer, along with a statement explaining the reason for such transfer. (6) The Director of Finance may make adjustments for obligations incurred in Fiscal Year 2018 and prior years. These may be made out of the appropriations therefore to the respective offices, departments, boards, commissions and agencies for Fiscal Year 2019. Within one week of taking any action authorized by this subsection (6), the Director of Finance shall provide written notice to the President and all members of the Council, with a copy to the Chief Clerk of Council, detailing such action.

(7) Except as otherwise provided by this Ordinance, special funds heretofore established pursuant to ordinance or statute, shall continue to be utilized in Fiscal Year 2019 for the purposes and in the manner prescribed by such ordinance or statutes to the extent that they are consistent with the provisions of the Philadelphia Home Rule Charter.

When under the Philadelphia Home Rule Charter an appropriation is a prerequisite to payments of money from such special funds, this paragraph should be construed as an appropriation of the full receipts of such funds for the purpose heretofore authorized by such ordinance or statutes, except that this paragraph shall not be construed as an appropriation of any funds contained in the Housing Trust Fund created under Chapter 21-1600 of The Philadelphia Code, and expenditures from the Housing Trust Fund shall be made only pursuant to appropriations made in Section 14 of this ordinance. The provisions in the prior sentence relating to the Housing Trust Fund are not severable from the remainder of that sentence or from any of the other provisions of this subsection (7), but are essentially and inseparably connected with those provisions, it being Council's intent that no portion of this subsection (7) would have been enacted if it did not also contain the provisions relating to the Housing Trust Fund.

The Director of Finance is authorized and directed to impound the balance of any special fund with respect to which he/she finds that the purposes for which the fund is being expended were intended by ordinance or law to be funded by an appropriation made in other Sections of this Ordinance.

(8) The City Treasurer is authorized and directed to make temporary advances in such amounts as the Director of Finance shall specify between any of the operating funds receiving appropriations in this Ordinance or between any operating fund and the Capital Projects Fund, and the Industrial and Commercial Development Fund, in anticipation of the collection of revenues or other receipts which are estimated to be receivable during the Fiscal Year 2019. Such advances shall

bear interest at such rates as the City Treasurer, upon approval of the Director of Finance, shall determine.

(9) The amounts herein appropriated for Purchase of Services; Materials, Supplies and Equipment; Contributions, Indemnities and Taxes; and Debt Service shall be deemed to be available for encumbrance upon the effective date of this Ordinance, to the extent necessary to facilitate the operations of the various offices, departments, boards and commissions for Fiscal Year 2019; provided, that no service shall be rendered prior to July 1, 2018 and no materials, supplies or equipment acquired shall be used in Fiscal Year 2018 except to the extent required to prepare for Fiscal Year 2019.

Such portions of the appropriations herein made for debt service to the Sinking Fund Commission may be paid over to the City's fiscal agent prior to July 1, 2018 as in the judgment of the Director of Finance is necessary to meet interest and principal on the debt of the City due on July 1, 2018.

(10) The Director of Finance is authorized to charge or credit fund balances available for appropriations as of June 30, 2018 to record properly actual charges for Interfund Services for the Fiscal Year 2018.

(11) The Director of Finance is authorized to charge to fund balance payment of any obligation properly incurred in Fiscal Year 2018 or in any prior year, provided that at the time such obligation was incurred an appropriation was available against which it could have been charged, but that such appropriation shall have ceased to exist due to merger into surplus. It is further provided that the payment of any such obligation be in the same manner and subject to the same controls as would have been followed had the obligation been paid in a timely manner. Within one week of taking any action authorized by this subsection (11), the Director of Finance shall provide written notice to the President and all members of Council, with a copy to the Chief Clerk of Council, detailing such action.

(12) Provided that the appropriation contained in Sections 7, 9 and 11 of this Ordinance shall be made available for encumbrances and/or expenditure only when the Director of Finance has certified that he/she has been responsibly advised that funds necessary to finance such appropriation or portion thereof have been received or are to be forthcoming from another government or from a nongovernmental source.

In such event the Director of Finance is authorized to accept the award for the City and to provide for the appropriation as may be required to execute the program covered by the award.

(13) The Director of Finance is authorized and directed to restore any deficiency in any Sinking Fund Reserve established pursuant to a revenue bond general ordinance, when such deficiency results from a decline in the market value of its investments, by charging the amount of the deficiency against available loan balances, or in the absence of available loan balances, against the appropriate operating fund balance. Within one week of taking any action authorized by this subsection (13), the Director of Finance shall provide written notice to the President and all members of Council, with a copy to the Chief Clerk of Council, detailing such action.

(14) None of the appropriations herein provided in Section 11 shall be encumbered against or expended out of the forty fourth (44<sup>th</sup>) entitlement grant prior to the formal award thereof: Provided, that pending the receipt of all or a portion of the aforesaid grant award the Director of Finance is authorized to finance the appropriations herein provided from balances of prior entitlement grants awards. The authorization for such financing shall be transmitted by the Director of Finance to the Clerk of Council within two (2) working days of any such authorizations.

(15) In respect to the authorization amounts as set forth in Section 13 for purposes of operating the Board of Pensions and Retirement, the Director of Finance may increase each class amount by an amount not to exceed fifteen percent (15%) of the total budget for the fund for Fiscal Year 2019. The authorization for such increases shall be transmitted by the Director of Finance to the Clerk of Council within two (2) working days of any such increases.

(16) The appropriation contained in Section 9.26 of this ordinance shall only be made available for obligation upon certification by the Director of Finance that Community Development Block Grant unexpended funds are available for Interim and Construction Assistance and that the amounts to be made available are guaranteed by an irrevocable Letter of Credit or similar security. At such time the Director of Finance may authorize amounts to be provided from his/her appropriation, which amounts shall be financed by Community Development Block Grant revenues. Amounts which are repaid shall be credited as program income to finance Community Development Fund activities.

The Director of Finance and the Director of Planning and Development, in accordance with the regulations of the Department of Housing and Urban Development (HUD), are authorized and directed to draw funds in a single lump sum from HUD's Community Development Block Grant (CDBG) to the City of Philadelphia for the appropriation contained in Section 11.1 of this Ordinance to establish a rehabilitation fund in one or more private institutions for the purpose of financing the rehabilitation of privately owned properties as part of the City's CDBG program. Funds drawn down from HUD, pursuant to this authorization, may be deposited in any private financial institution as defined by the applicable HUD regulations notwithstanding the limitations on the placement of City deposits set forth in Chapter 19-200 of The Philadelphia Code.

(17) The Director of Finance, with the concurrence of the U. S. Department of Housing and Urban Development (HUD), shall as of June 30 of the fiscal period preceding the start of this Operating Budget Ordinance, transfer all unobligated encumbrances and other available balances from the oldest Community Development Program Year not previously closed out to the next oldest Program Year as of July 1. Further, any questioned cost items from the closed out Program Year which are determined by HUD to be ineligible costs shall be transferred to the oldest open Program Year after such costs are removed. Program regulations governing such transferred funds shall be determined by HUD. The Director of Finance shall notify the Clerk of Council periodically concerning Program Year close outs and transfers.

(18) The Director of Finance is hereby authorized, at his/her discretion, to transfer the amount of the authorization and/or the obligations in respect to indemnities, advertising, insurance, telephone, postage, rental, leases, vehicle purchases, utilities, employer's share of fringe benefits and

data processing services from the appropriations herein made to the appropriate offices, departments, boards, commissions or other agencies of the City.
