**DIVISION SUMMARY - ALL FUNDS**

**FISCAL 2019 OPERATING BUDGET**

Department Human Services	No. 22	Division Juvenile Justice Services	No. 47
------------------------------	-----------	---------------------------------------	-----------

**Major Objectives**

Juvenile Justice Services (JJS) is responsible for operating the County detention center, contracting with private providers for treatment services and receiving and disbursing funds used for delinquency services. JJS incorporates a need for public safety and a need to provide juveniles an opportunity for positive change. JJS consists of two main operating units: the Juvenile Justice Services Center (JJSC) and Court & Community Services. The JJSC is designed to provide temporary care, custody and control for alleged and adjudicated delinquents age 13 and over, who are awaiting court action. Consistent with the purpose of secure detention, the JJSC provides protection to the community, a safe and sure setting for youth and staff, and ensures residents are available for scheduled court hearings.

The Court & Community Services is responsible for developing, contracting and monitoring service delivery to delinquent youth. This is accomplished through collaboration with the Family Court, private service providers and other key juvenile justice stakeholders to identify service needs and gaps in services. This coordinated effort has resulted in a continuum of services that recognizes that juvenile delinquency is the result of a complex of risk factors such as personal life, family circumstances and the community environment. Services are available to delinquent youth in out-of-home programs such as community-based detention, foster care, group homes, institutions and in-home programs such as home-based detention, aftercare and day treatment

**FISCAL 2019 OPERATING BUDGET**

Department Human Services	No. 22	Division Child Welfare Operations	No. 49
------------------------------	-----------	--------------------------------------	-----------

**Major Objectives**

The Child Welfare Operations (CWO) Division provides child and family-entered services to over 10,000 children and their families each year. These services are strategically designed to ensure the safety, permanency and overall well-being of DHS' clients. CWO is responsible for operating a 24 hour a day/365 days a year hotline, as well as investigating reports of child abuse and neglect. Additionally, through seven community based providers called Community Umbrella Agencies (CUAs), CWO provides a range of in home and placement services to children and families. The services provided by the CUAs are designed to meet the following four goals:

1. More children and youth maintained in their own homes and communities;
2. More children and youth achieving timely reunification or other permanence;
3. A reduction in the use of congregate care; and
4. Improved children, youth, and family functioning.

**Major Objectives**

The Child Welfare Operations (CWO) Division provides child and family-centered services to over 10,000 children and their families each year. These services are strategically designed to ensure the safety, permanency and overall well-being of DHS' clients. CWO is responsible for operating a 24 hour a day/365 days a year hotline, as well as investigating reports of child abuse and neglect. Additionally, through seven community based providers called Community Umbrella Agencies (CUAs), CWO provides a range of in home and placement services to children and families. The services provided by the CUAs are designed to meet the following four goals:

1. More children and youth maintained in their own homes and communities;
2. More children and youth achieving timely reunification or other permanence;
3. A reduction in the use of congregate care; and
4. Improved children, youth, and family functioning.

<b>CITY OF PHILADELPHIA</b> <b>FISCAL 2019 OPERATING BUDGET</b>	<b>DIVISION SUMMARY</b>
--	-------------------------

Department Human Services	No. 22	Division Community Based Prevention Services	No. 51
Fund Grants Revenue	No. 08		

**Major Objectives**

The Division of Community Based Prevention Services (CBPS) ensures that at-risk children receive the social and structural supports that will strengthen their families and allow them to thrive. CBPS strives to address the underlying problems that lead to abuse, neglect and delinquency and to support at-risk children before their situation leads to more intensive involvement in the DHS system. Prevention services are directly focused on maintaining children and youth in their own homes and communities, safely diverting children and youth from placement, and supporting families so that children and youth do not re-enter care.
