PROGRAM SUMMARY - ALL FUNDS

| Mural Arts Program | 50 | Mural Arts Program | 01 |

Program Description

Mural Arts' programs generate impact within individuals, communities, and systems with a focus on the following five arenas: youth development, criminal justice reform, wellness, environmental sustainability, and civil discourse. Mural Arts integrates community-engaged public art projects into ongoing programs to achieve our goals. Project decisions respond to needs and opportunities articulated by civic leaders or identified in neighborhood plans; project applications from community leaders; and topics relevant to youth and adults enrolled in Art Education, Restorative Justice, and Porch Light programs.

Program Objectives

- Expand core program work focusing on increased depth in community; long-term impact; inter-program collaboration; and connecting participants to post-project opportunity.
- Through high-profile, spectacular projects call attention to Philadelphia as a cultural capital and destination while also elevating communities and themes typically underrepresented in the public sphere.
- Obtain a staff structure and culture to support an expanded, sustainable institution and ensure that staff and board composition are reflective of the diversity of the City and equity and inclusion are prioritized in decision making.
- Demonstrate a culture of learning and data use, driven by strong systems for documentation and evaluation.
- Mural Arts Institute solidifies its footprint on the national stage as a thought leader and provider of training and consulting.
