We plan to implement the goals of the 9th district neighborhood business district improvement plan. This plan includes: the creation of well-lit corridors by modernizing the street lighting system by converting to LED bulb-lights; the addition of modern trash receptacles to reduce litter along the corridors; the implementation of branding and beautification strategy to market the corridors as local destinations for neighbors; and the facilitation of a street cleaning program that hires local residents to clean commercial corridors by removing litter and remediating incidents of short dumping.

The Commerce Department and N. 5th Street Revitalization Project seek to aid in the financial recovery of the Broad and Olney Business corridor with a comprehensive improvement project to include: adding new storefront façade and signage; renovating the second floor of 5601 N. Broad Street to create modern and safe commercial office space which will be occupied by City of Philadelphia Agencies to provide City services; installing a new mural at 5601 N. Broad Street; replacing dated bus shelters; increasing pedestrian lighting; completing the design and construction of landscaping and greening along the business district; and offering technical assistance to businesses owners to ensure they are financially stable and better prepared for recovery from the pandemic and the future.

Grant Objective

We plan to implement the goals of the 9th district neighborhood business district improvement plan. This plan includes: the creation of well-lit corridors by modernizing the street lighting system by converting to LED bulb-lights; the installation of security cameras monitored by the local law enforcement thus establishing safer corridors; the addition of modern trash receptacles to reduce litter along the corridors; the implementation of branding and beautification strategy to market the corridors as local destinations for neighbors; and the facilitation of a street cleaning program that hires local residents to clean commercial corridors by removing litter and remediating incidents of short dumping.
